

# Natasha Bedingfield, Freckles

I used to care so much about what others think about  
Almost didn't have a thought of my own  
The slightest remark would make me embark on a journey of self doubt  
But that was a while ago

This girl has got stronger  
And if I knew then what I know now  
I would have told myself don't worry any longer  
It's OK

'Cause a face without freckles is like a sky without the stars  
Why waste a second not loving who you are?  
Those little imperfections make you beautiful, loveable, valueable  
They show your personality inside your heart  
Reflecting who you are

(Who you are, who you are, who you are  
Oh, yeah yeah, ah)

I wondered if I could trade my body with some body else in magazines  
With the whole world fall at my feet  
I felt unworthy and would blame my failures on the ugliness I could see  
When the mirror looked at me

(Sometimes I feel)

Sometimes I still feel like a little girl who doesn't belong in the wrong world  
But I'll get it better by reminding myself

That a face without freckles is like a sky without the stars  
Why waste a second not loving who you are?  
Those little imperfections make you beautiful, loveable, valueable  
They show your personality inside your heart  
Reflecting who you are

(Who you are)

Reflecting who you are  
Reflecting who you are  
Ummm, ooh ooh ooh, oh

'Cause a face without freckles is like a sky without the stars  
Why waste a second not loving who you are?  
Those little imperfections make you beautiful, loveable, valueable  
They show your personality inside your heart  
Reflecting who you are
