

# Natasha Bedingfield, Pocketful Of Sunshine

I got a pocket, got a pocketful of sunshine  
I got a love and I know that it's all mine, oh ooh oh oh  
Do what you want, but you're never gonna break me  
Sticks and stones are never gonna shake me, oh ooh oh oh

Take me away (take me away)  
A secret place (a secret place)  
A sweet escape (a sweet escape)  
Take me away (take me away)  
Take me away (take me away)

I got a pocket, got a pocketful of sunshine

Wish that you could, but you ain't gonna own me  
Do anything you can to control me, oh oh no

There's a place that I go that nobody knows  
Where the rivers flow, and I call it home  
And there's no more lies and in the darkness is light  
And nobody cries, there's only butterflies

Take me away (take me away)  
A secret place (a secret place)  
A sweet escape (a sweet escape)

The sun is on my side  
And takes me for a ride  
I smile up to the sky  
I know I'll be all right

I smile up to the sky  
I know I'll be all right
