

# Natasha Bedingfield, Soulmate

Incompatible, it don't matter though  
'cos someone's bound to hear my cry  
Speak out if you do  
You're not easy to find

Is it possible Mr. Loveable  
Is already in my life?  
Right in front of me  
Or maybe you're in disguise

Who doesn't long for someone to hold  
Who knows how to love you without being told  
Somebody tell me why I'm on my own  
If there's a soulmate for everyone

Here we are again, circles never end  
How do I find the perfect fit  
There's enough for everyone  
But I'm still waiting in line

Who doesn't long for someone to hold  
Who knows how to love you without being told  
Somebody tell me why I'm on my own  
If there's a soulmate for everyone

If there's a soulmate for everyone

Most relationships seem so transitory  
They're all good but not the permanent one

Who doesn't long for someone to hold  
Who knows how to love you without being told  
Somebody tell me why I'm on my own  
If there's a soulmate for everyone

Who doesn't long for someone to hold  
Who knows how to love you without being told  
Somebody tell me why I'm on my own  
If there's a soulmate for everyone  
If there's a soulmate for everyone
