

# Natasha Bedingfield, Wild Horses

Hmmm woah yea...

I feel these 4 walls closing in  
My face up against the glass  
Im looking out... hmm  
Is this my life im wondering  
It happened so fast  
How do I turn this thing around  
Is this the bed I chose to make  
Its greener pastures i'm thinking about hmm  
Wide open spaces far away

All I want is the wind in my hair  
To face the fear but, not feel scared

[Chorus:]  
wild horses I want to be like u  
Throwing caution to the wind  
I'll run free too  
Wish I could recklessly love, like im longing too  
Run with the wild horses, run with the wild horses!  
Ohh yeaaa yea

I see the girl I wanna be  
Riding bare back, care free along the shore  
If only that someone was me  
Jumpin head first headlong without a thought  
To act and damn the consequence  
I wish it could be that easy  
But fear surrounds me like a fence  
I wanna break freee ee yeah ohh

All I want is the wind in my hair  
To face the fear but, not feel scared  
Hoohhh woah woah

[Chorus:]  
wild horses I want to be like u  
Throwing caution to the wind  
I'll run free too  
Wish I could recklessly love, like im longing too  
I wanna run with the wild horses, run with the wild horses!  
Ohh yeaaa yea

I wanna run too.  
Hohhh woah oh woah oh

Breaklessly abandoning my self b4 u

I wanna open up my heart tell him how I feel

[Chorus:]  
wild horses I want to be like u  
Throwing caution to the wind  
I'll run free too  
Wish I could recklessly love, like im longing too  
I wanna run with the wild horses, run with the wild horses! [X2]  
Hooaah woah ohh woah  
Yeeaaaah

I wanna run with the wild horses
