

Natasha Hamilton, Round and round

[Intro:]

Aight, so look (No)

I know you think everything I say (Yeah)

I jus' be talkin' (Oh)

It's alotta B.S, I know (We keep, we keep, we keep, we keep yeah, oh)

But we gotta stop goin' (Oh, we keep, we keep, we keep, we keep yeah)

Back and forth, back and forth

Up and down, up and down

Round, round, round and round

If it's up to me

I'll make it happen

[Chorus:]

Baby, we be goin' round, and round and round

It's time to lock you down (Time to lock you down)

And I'm givin' up them girls

On other sides of town

Only wantin' you to be around

Baby, we be goin' round, and round and round

It's time to settle down

Givin' up them girls

On other sides of town

And justify this love that I found

We be goin' round, and round and round

[Verse 1:]

If a tornado swept through towns

We'd be goin' round and round

So many years that we stayed down

You sound like no other sound (No)

If I described my heart right now

Gotta turn my love side down

I'm on my knees, 'fronta of you right now

And I wanna make you mine

[Pre-Chorus:]

Where will this road lead us right now

Where we'll stop, nobody knows

We'll reach our pot of gold somehow

Just keep holdin' on

Like a merry-go-round

We keep, goin' round and round

We keep, we keep, goin' round and round

And I'm ready when you are, to let my game go

[Chorus:]

Baby, we be goin' round, and round and round

It's time to lock you down (Time to lock you down)

And I'm givin' up them girls

On other sides of town

Only wantin' you to be around (round, round, round)

Baby, we be goin' round, and round and round

Time to settle down (Time to settle down)

Givin' up them girls

On other sides of town

And justify this love that I found

We be goin' round, and round and round

[Verse 2:]

It's like the spokes on an old 6-4

We be be goin' round and round

No one but you can hold this crown

So here's the plan girl

I'm tradin' in my J's for some flip-flops

I'm spendin' all my nights here with you

We so wrapped up in this beat, like it's hip-hop

I'm never gonna let you go

[Pre-Chorus:]

Where will this road lead us right now

Where we'll stop, nobody knows
We'll reach our pot of gold somehow
Just keep holdin' on
Like a merry-go-round
We keep, goin' round and round
We keep, we keep, goin' round and round
And I'm ready when you are, to let my game go
[Chorus:]
Baby, we be goin' round, and round and round
It's time to lock you down (Time to settle down)
And I'm givin' up them girls
On other sides of town
Only wantin' you to be around (Only wantin' you be around)
Baby, we be goin' round, and round and round
Time to settle down (Yeah)
Givin' up them girls
On other sides of town (All the sides of town)
And justify this love that I found
We be goin' round, and round and round
[Breakdown:]
Baby, the storm is over
Been through our worst together
Stoppin' us now, no ups and downs
We ain't goin' round and round, no more
[Chorus:]
Baby, we be goin' round, and round and round
It's time to lock you down (Time to lock you down)
And I'm givin' up them girls
On other sides of town (Baby yeah)
Only wantin' you to be around (Ehhh)
Baby, we be goin' round, and round and round
Time to settle down (I'm given you the love you deserve)
Givin' up them girls
On other sides of town
And justify this love that I found
We be goin' round, and round and round
Ooooh.....
