

# Natasha Thomas, It's Over Now

What kind of love have you got,  
You should be home but you're not  
I don't wanna believe that it's over now,  
I could be wrong but I'm not,  
and you're still think you're on heart  
I don't wanna believe that it's over now

Lalalalala nana lalalalala x2

Can you tell me a secret  
then I tell you mine  
Show me that just to love me  
Then I will show you love Oh baby

What kind of love have you got,  
You should be home but you're not  
I don't wanna believe that it's over now,  
I could be wrong but I'm not,  
And you're still think you're on heart  
I don't wanna believe that it's over now

Lalalalala nana lalalalala x2

You are walking a while  
Looking for a love in between  
But you don't have to say  
Do you know what I mean Oh baby

What kind of love have you got,  
You should be home but you're not  
I don't wanna believe that it's over now,  
I could be wrong but I'm not,  
and you're still think you're on heart  
I don't wanna believe that it's over now  
It's over now

Wake up you lose my loving  
Wake up if you start thinking  
Think twice about the things that you have said and done
