

Natasha Thomas, Save Your Kisses For Me

Refrain:

Save your kisses for me
Show me how you miss me
Oh, so easily, My loving

Save your kisses for me

'Cause I don't wanna be

A summer love thing (contested as being SERVANT OF FAITH)

The way I am touching's always heavenly
I love the way that you were loving me
You rubbed me up in the colour of your love
You must be an angel high from above

Bridge:

How can I be sure that you won't go
And what will be'

Refrain

Save your kisses for me
Show me how you miss me
Oh, so easily, My loving

Save your kisses for me

'Cause I don't wanna be

A summer love thing

Are you gonna be there when I need someone
Will I be always just the only one
I don't wanna have just another heartbreak
So tell me it's sure love true are a fake

Bridge

How can I be sure that you won't go
And what will be'

Refrain

Save your kisses for me
Show me how you miss me
Oh, so easily, My loving

Save your kisses for me

'Cause I don't wanna be

A summer love thing

One kiss

One love

One word

One love

One lie

One dream

Gonna save it save it for me

Refrain

Save your kisses for me
Show me how you miss me
Oh, so easily, My loving

Save your kisses for me

'Cause I don't wanna be

A summer love thing

Show me how you miss me

I don't wanna be a summer love thing

Save your kisses for me
'Cause I don't wanna be
A summer love thing

Save your kisses for me
