

Nate Sallie, Holy Spirit

"Holy Spirit"
Nate Sallie

More than just a moment in history
More than just an experience that I seek
Yours is a friendship that lasts forever
Every day I hear you speak

Mysteries revealed each day
Hidden treasures found in faith
You are the fire sent down from heaven
Until I see you face to face
I will run to you, and your words of truth

HOLY SPIRIT COME
COME AND FILL ME WITH YOUR LOVE
MOVE INSIDE OF ME
FILL THE AIR I BREATHE
HOLY SPIRIT COME
FALL ON ME

Conversations run so deep
Spoken promises from the King
I never want to leave your presence
You are all that I need

Saturate every move I make
So I'm filled with what I crave
Open my eyes to the pathways ahead
Every step that I take
I will run to you, and your words of truth

HOLY SPIRIT COME
COME AND FILL ME WITH YOUR LOVE
MOVE INSIDE OF ME
FILL THE AIR I BREATHE
HOLY SPIRIT COME

Walk With Me
Tell Me Secrets Of His Majesty
Pour Out On Me
Visions And Dreams
I Want More Than Just A Little Bit Of Everything
I Want All You're Saying
So I'm Praying

HOLY SPIRIT COME
COME AND FILL ME WITH YOUR LOVE
MOVE INSIDE OF ME
FILL THE AIR I BREATHE
HOLY SPIRIT COME
FALL ON ME
