

# Nate Sallie, Lone Ranger

I don't ever want to be alone again  
now that I have found a love that never ends  
everything you are is all I hope to be yaayyaa

I used to walk around and be a lone ranger  
never needed love from a stranger  
always walked away from the danger losing a friend ya  
so then I stumbled into you in my senses  
I needed you to melt my defenses  
you're the sum of all I've been missing for so long let me say you

I don't ever want to be alone again  
now that I have found a love that never ends  
everything you are is all I hope to be  
cause you're the best thing that's happened to me  
and you know that I'll go (yes) anywhere  
take my hand cause I don't ever want to be alone again

no, don't wanna be alone again  
no, don't wanna be alone again

You never had a minute for me to fly solo  
A reginade that's headed for who knows  
never knew it would leave me so hollow  
till you filled me in ya  
so then I broke down the previous emotion  
letting go would be my demotion  
your the view of all my devotion  
All the time now that I see the light let me say to you

I don't ever want to be alone again  
now that I have found a love that never ends  
everything you are is all I hope to be  
cause you're the best thing that's happened to me  
and you know that I'll go (yes) anywhere  
take my hand an I don't ever want to be alone again

it took me falling to the ground  
to understand what could be found  
and I don't ever want to go there again  
I don't want to be alone again no no no  
cause you're the best thing that's happened to me  
and you know that I'll go (yes) anywhere  
take my hand an I don't ever want to be alone again

no don't want to be alone again no, no ya  
don't want to be alone again
