# Nate Ultra, Found A Cure

(Feels like I'm going insane)

I searched all over could not find
someone to hold some peace of mind.
Yesterday is gone nothing else to do,
but let it go before I lose.
All of my hopes and my dreams
for something that ain't real.
Things ain't always as they seem

BRIDGE
'Cos there's sunshine after rain (sunshine after rain)
And after the night comes morning (the night comes morning)
And in the spring the flowers bloom again
When I'm feeling down, there's no way out
I know the love I have inside will make it alright.

CHORUS
Feels like I'm going crazy (na na na na)
Feels like I'm going insane (na na na na)
And it feels like I'm going crazy
Found a cure to get me through another day.

(Found a cure (found a cure)
To get me through another day (get me through another day) x2
(Feels like I'm going insane)

How many times before have you
been left alone and you feel confused?
Do you have the strength to keep trying
when the walls just keep on closing in?
But you got everything that you need
inside your heart if you just believe.
Things ain't always as they seem.

BRIDGE
CHORUS

(Found a cure (found a cure)
To get me through another day (get me through another day) x3
(Feels like I'm going insane)
Found a cure (found a cure)
To get me through another day (get me through another day)
