

Nathan, You Make Me Feel

I cnt explain
Dont understand
But everyday i think about you your the one and its for real
There ain't no words its just how i feel
Deep down inside and i cnt hide the way
you make me feel so high...

[Chorus]

And i can not deny you make me feel
Like a kid in a candy store
You make me feel..
Like i have never been here before
You make me feel..
Every days my birthday
Youre making me feel this way
You make me feel
Like I just won the lottery
You make me feel
Like Im changing my ansime
And I thought bout
Never thought I feel this way
You make me feel

[Hook:]

Im gonna come get you
I cant get you outta my mind
Im gonna come get you girl
I gotta make you more mine
I get butterflies every time
I stare deep into those eyes
Maybe Im helpless
Or Im just self-fish
Cuz I want you all to myself
Oh what Ill give to make you mine
Theres nothing that I would not try
And thats the reason why

[Chorus:]

You make me feel
Like a kid in a candy store
You make me feel
Like I never been here before
You make me feel
Everyday is my birthday
Youre making me feel this way
You make me feel
Like I just won the lottery
You make me feel
Like Im changing my ansime
And I thought bout
Never thought I feel this way
You make me feel
Im gonna come get you
I cant get you outta my mind
I cant help my hearts like an open book
Wont you take a look
Cuz it aint hard to see that you got me
Oh na
Baby
The way you got me feelin is kinda
Crazy
What you got is what I need
Im loving everything I see
We fit perfectly
Cuz
[Chorus:]
You make me feel

Like a kid in a candy store (ohh)
You make me feel
Like I never been here before (mmm)
(Everyday is my birthday)
Everyday is my birthday

Like I just won the lottery
(Oh like I just won the lottery)
Like Im changing my ansime
And I thought bout
Never thought I feel the way
