

Natural, Human, Being Human

(Patrick/J/Ben)

Ahhh, ahhh

(Patrick)

Karma took the day off

Keep your heads up

I'm not joking

They don't give you many

I don't take any

I don't owe nothing

I can't lie

(J/Ben)

I'm good inside

I even cry

Sometimes

(Chorus)

(All)

I'm too real

I'm too human, being human

I'm too real

Just a human, being human, being me

(Patrick/J/Ben)

Ahhh, ahhh

(Patrick)

Don't know what you'd call it

Fear of falling

Paranoia

I watch where I'm walking

And who I'm calling

You never do know

I can't lie

(J/Ben)

I'm good inside

I even cry

Sometimes

(Chorus)

(All)

(Guitar break)

(Chorus repeat twice)

(All)

(Patrick/J/Ben)

Ahhh, ahhh

Ahhh, ahhh

Ahhh, ahhh

Ahhh, ahhh
