

# Natural, I'll Be Back For More

Trust me  
I know you're shy  
But when you're with me  
I see the love in your eyes  
Tell me why  
Can't you say the way you feel  
And if our love is real  
Say you'll love me  
Forever and ever

-Chorus-  
I'll be back for more  
I'll be back for more  
Why can't you say  
That you feel the same way  
I'll be back for more

You say  
You're afraid  
You'll get burned again  
But baby I'll pray  
That some day  
You'll let my love in  
Oh I can't wait  
Till you tell me how you really feel  
And if our love is real  
Say you'll love me  
Forever and ever

Chorus

Oh baby, Just let me know  
And if you love me you've got to let it show  
I'm down on my knees  
I'm begging you please

Chorus (x2)
