

Naughty Boy, Mike Posner, Live Before I Die

i stopped smoking weed a year ago
maybe I am less cool, now, o don't know
but I talk to pretty girls now
instead of sitting there all stoned
i stopped smoking weed a year ago

and I stopped drinking Hennessy on ice
u thought it made my fans think I was tight
I am still up in the night club
on way too many nights
but I stopped drinking Hennessy on ice

see I've been running from my past
but my future's just too fast
he don't stop for no one that's no lie
so dear Lord
won't you please gimme wisdom grant me peace
cuz I just want to live before I die

live before I die, I die
live before I die
yeah
I just want to live before I die
I just want to live before I die
I just want to live before I die
