

Naughty Boy, No One's Here To Sleep (feat. Bastille)

Every carpet, every floor
Everywhere I look up for
Climbing up the walls, I'm climbing up the walls
What goes on behind these doors
I'll keep mine and you'll keep yours
We all have our secrets, we all have our secrets

Behind every door is a fall, a fall and
No one's here to sleep

You were always faster than me
I'll never catch up with you, with you
Oh I can feel them coming for me

You were always faster than me
I'll never catch up with you, with you
Oh I can feel them coming for me

Here's the pride before the fall
Oh your eyes they show it all
I can see it coming, I can see it coming
There's a rise up through each floor
Shed it's dark and use it all
I can hear it coming, I can hear the drumming

Behind every door is a fall, a fall and
No one's here to sleep

You were always faster than me
I'll never catch up with you, with you
Oh I can feel them coming for me

You were always faster than me
I'll never catch up with you, with you
Oh I can feel them coming for me

You were always faster than me
I'll never catch up with you, with you
Oh I can feel them coming for me

You were always faster than me
I'll never catch up with you, with you
Oh I can feel them coming for me
