

Naughty By Nature, Craziest

[Verse 1: Treach]

My thoughts are thundering, tumblin
Sons of bitches, switches, from yelling ta mumbling
You ain't a pal of me, my family ties but not wit Mallory
My analogy ain't for salary, as I roll reality thru galaxies
Four centuries, it's sent to me with the scent of oi
Witta chain representing penitentiaries
from Roman town to Borentown
From Newark to Illtown
And all you know from
lifers, Rikers ta foesome
Wasn't driving to fast, I was flying to low
You think I'm rocking too quick, I think you're listening to slow
I'm abrupting construction, a pumping assumption
You diss while your family say I'm the best shit since fucking
Struckin 'bout an obstruction or turning something of nothing
From more things to more things, it's the rip in every function
Funkin it up, pumping it up, chumping the ducks
Looking ta hump Ms. Junk in the trunk, pump pumpin me up

[Chorus:]

Jersey niggas are the craziest
New York niggas are the craziest
DC niggas are the craziest
Philly niggas are the craziest
LA niggas are the craziest
Chi town niggas are the craziest
Texas niggas are the craziest
Utah niggas are the craziest

[Verse 2: Vin Rock]

My lyrics be laced with 40 ounces of funk and stuff, you get rushed, you
get bust
You call yourself callin my bluff, enough's enough
I'm puttin it down on the real end
This one goes out to all the people who be questioning
my skills, niggas I been rockin since lee twillz
and we feel that we build careers of steel
So all the rest come up and test but only stress is what you'll find
thinkin
Vinnie don't write and Vinnie can't rhyme shrinkin
The sleepin MC I eat like good 'n' plenty
Lyrically spankin ya that's why they call me Uncle Vinnie
And oh yes, I just appeal to the masses
young to old folks, the upper, lower, middle classes
They don't begin wit no lying professor
they begin when Vin pick up the pen and pad up off the dresser
Lesser, a man should never challenge a clan
wit thirteen years experience of rippin mic's put in our hands

[Chorus:]

Detroit niggas are the craziest
Miami niggas are the craziest
Little Rock niggas are the craziest
Oak Town niggas are the craziest

[Verse 3: Treach]

I got barbarians to bogard me in
at a club that barred me when

a broad got thrown like barabarnigan born again, thrown aboard
A brim is broke to the back I brawl and band from brains ta balls
Da boots word ta-burr-bam-boo break the loot
Blowing up brain cells BOOM like Beirut
Assume the same suit, fuck that fly shit wit the flavor ca shi
Gives last name ain't Suzuki but still my sidekick
Whip that hide quick if ya slide quick, blood clot ya Blood clique
You ain't rolling if our tape ain't what ya ride wit
Niggas snipe shit so I'm on a knife tip
Like the youngsters 'bout ta take you on some hip-hop ride shit
If you ain't jumpin then don't pump it
I'm hittin Jermaine in Atlanta cos he owe me loot for that jump shit
Fuck astronauts I rock it
and from now on if you bite my style when I see you, I'm in your pockets

[Chorus:]

Cleveland niggas are the craziest
Virginia niggas are the craziest

St. Louis niggas are the craziest
