

Nayaree, Tell Me

Walkin' through my mind
Old but not so blind
Learn to live without time

Lookin' for the good days
Tryin' to stay the same
I'm your slave to the grave

☐We all need to find a way
☐To create our own reflection
☐We all must find this way

☐I hear your voice through my mind
☐And I have no time
☐To find where you hide

And it makes no sense
You live in ignorance
Your head is fading away

Never say good-bye
When you wonder why
Shut up and greet the comin' night

☐The only thing
☐I'm trying to do
☐Is to show you
☐What's inside me now

☐The only thing
☐I'm trying to do
☐Is to show you
☐What's inside you now

☐
Hey, tell me why !
Hey, tell me why !

Hey, tell me why !
Hey, tell me why !
Hey, tell me why !
Why ?
Why ?
Why ?
Tell me !!!
