

Nazareth, Ain't Got You

I got a Maseratti two by two
With snakeskin upholstery
Charge account at Goldblatz
But I ain got you
I got a closet full of clothes
And no matter where I goes
You keeps a ring in my nose
But I ain got you
I got a tavern, a liquor store
I play the numbers, 444
I got mojo don you know
I all dressed up with no place to go
I got women to the right of me
I got women to the left of me
I got women all around me
But I ain got you, no I ain got you
I got a tavern, and a liquor store
I play the numbers, 444
I got mojo don you know
But I ain got you
No, I ain got you
No, I ain got you
No, I ain got you
