

Nazareth, Crack Me Up

Hello, feelin' happy, got peace of mind?

Hello, kimosabe, won you be so kind

Tell all the fake facts jack, dirt n all

How long it take you mac, tet the skirt to fall?

Hello Mr. backstreet president, hello, how it hangin' Still shakin' her tent? don it hurt, what she sayi
out you to your back, don it bother you at all?

You know you crack me up, really, really crack me up

Well hello, (hello) it a real bad line, just want the

Love of a good, good woman sometime

Sold to the man who has everything

Gold-caged madonna, sing mama, sing

Come on, get close, I forget how near

Move along now, There nothin' to see round here

Can you care about me, like I care about me?

Don it bother you at all?

You know you crack me up, really, really crack me up

You crack me up, crack me up

Happy, feelin' happy, got peace of mind?

Hello kimosabe, won you be so kind?

Tell all the fake facts jack, dirt n all

How long it take you mac, tet the skirt to fall?

Come on, get close, I forget how near

Move along now, there nothin' to see round here

Can you care about me, like I care about me

Don it bother you at all?

You know you crack me up, really, really crack me up

You crack me up, really, really, really, really, really, really

Crack me up

You know you crack me up, you crack me up.
