Nazareth, I Had A Dream

(copyright Nazareth, Tiflis Tunes, inc.-ascap)

I had a dream
I had a dream
I saw the mission band playing on the green
It was the saddest thing I have ever seen
What did it mean, what did it all mean?

And in my dream, in my same dream I saw the soldiers marching on the green The band played a funeral march Many a tear was seen All in my dream, all in my dream

I heard the lesson read, I heard the choir I saw the falling leaves landing everywhere I saw the family gathered, crying in despair I was not there, I was not there
