Nazareth, Night Woman

She's a night woman of my dreams And I saw her glidin' on a moon beam Silver stardust in her eyes In the way she leaves her sighs.

Last night I fell asleep Thought I heard her voice begin to speak My mind is in distress On my cheek I felt her breath.

I could feel her body's warmin' glow My frozen blood begn to flow She's a night woman of my dreams And I saw her glidin' on a moon beam Comes, stays, then disappears In the morning sun my vision clears.

I could smell the roses in her hair But when I awoke, she was not there.

Oooh, oooh, night woman of my dream Oooh, oooh, night woman of my dream

Oooh, oooh, she's a night woman of my dream

Oooh, oooh, night woman of my dream.
