

# Nazareth, Waiting

Waitin' ?got a leash around my neck  
Trainin' ?I'll never be your pet  
Dyin', sighin'  
You got me flyin', cryin'

I've been waitin' ?standing by your side  
Prayin' ?tryin' to turn the tide  
Spinnin', grinnin'  
You got me flyin' high

Waitin' ?I've been tryin' to state my case  
Racin' ?Tryin' to keep it in the chase  
Slippin', slidin'  
I'm gonna be seekin', findin'

You're strokin', I'm smokin'  
Your're playin' and I'm layin' a plan  
I'm getting' all the lovin'  
I'm getting' all the lovin' I can

You're leadin' me astray  
I'm pleadin' - I'm leadin'  
You're feedin' ?I'm beggin'

Waitin' - seems like all my life  
Skatin' ?livin' on thin ice  
Dreamin', schemin'  
You're gonna do me in

Waitin' ?When are you gonna come back?  
Strung out ?You got me on the rack  
Duckin', divin'  
I'm gonna be midnight drivin'

You're takin', I'm breakin'

I'm shakin' and it's makin' me bad ?I'm so sad  
I'm reelin' all the feelin'  
I'm reelin' all the feelin' I can

I've got to make you stay  
You're leavin' ?I'm grievin'  
You're sellin' ?I'm buyin' ?you're lyin'

You're prayin' and I'm layin' a plan  
I'm gettin' all the lovin'  
I'm gettin' all the lovin' I can

You're leadin' me astray  
I'm pleadin', I'm needin'  
You're feedin', I'm beggin'

I'm shakin' and it's makin' me bad ?I'm so sad  
I'm reelin' all the feelin'  
I'm reelin' all the feelin' I can

I've got to make you stay  
You're leavin' ?I'm grievin'  
You're sellin' ?I'm buyin' ?you're lyin'
