Nazareth, Waiting

Waitin' ?got a leash around my neck Trainin' ?l'll never be your pet Dyin', sighin' You got me flyin', cryin'

I've been waitin' ?standing by your side Prayin' ?tryin' to turn the tide Spinnin', grinnin' You got me flyin' high

Waitin' ?I've been tryin' to state my case Racin' ?Tryin' to keep it in the chase Slippin', slidin' I'm gonna be seekin', findin'

You're strokin', I'm smokin' Your're playin' and I'm layin' a plan I'm getting' all the lovin' I'm getting' all the lovin' I can

You're leadin' me astray I'm pleadin' - I'm leadin' You're feedin' ?I'm beggin'

Waitin' - seems like all my life Skatin' ?livin' on thin ice Dreamin', schemin' You're gonna do me in

Waitin' ?When are you gonna come back? Strung out ?You got me on the rack Duckin', divin' I'm gonna be midnight drivin'

You're takin', I'm breakin'

I'm shakin' and it's makin' me bad ?I'm so sad I'm reelin' all the feelin' I'm reelin' all the feelin' I can

I've got to make you stay You're leavin' ?I'm grievin' You're sellin' ?I'm buyin' ?you're lyin'

You're prayin' and I'm layin' a plan I'm gettin' all the lovin' I'm gettin' all the lovin' I can

You're leadin' me astray I'm pleadin', I'm needin' You're feedin', I'm beggin'

I'm shakin' and it's makin' me bad ?I'm so sad I'm reelin' all the feelin' I'm reelin' all the feelin' I can

I've got to make you stay You're leavin' ?I'm grievin' You're sellin' ?I'm buyin' ?you're lyin'
