

# Nazareth, Winner On The Night

Dan McCafferty  
Arranged by Nazareth  
Produced by Manny Charlton

Sometimes you're feeling sad and lonely  
And things ain't goin' right for you  
You're looking for somebody  
So tired of bein' all alone  
Don't throw your life away, remember

When you're down and fighting from the corner  
And you feel that there's no way out  
Just believe in the power deep inside of you  
Hold on and things will be alright  
And in the end when it's all over  
You'll be the winner on the night

And in the end when it's all over  
You're not the same you used to be  
You know it wasn't easy  
But with experience you'll see  
You'll make it out if you remember

When you're down and fighting from the corner  
And you feel that there's no way out  
Just believe in the power deep inside of you  
Hold on and things will be alright  
And in the end when it's all over  
You'll be the winner on the night

When you're down and fighting from the corner  
And you feel that there's no way out  
Just believe in the power deep inside of you  
Hold on and things will be alright

And in the end when it's all over  
You'll be the winner on the night  
When you're down and fighting from the corner  
And you feel that there's no way out  
Just believe in the power deep inside of you  
Hold on and things will be alright

And in the end when it's all over  
You'll be the winner on the night  
When you're down and fighting from the corner  
And you feel that there's no way out  
Just believe in the power deep inside.....
