

Nazz, Kiddie Boy

Kiddie boy, kiddie boy, don't kid around with me
Don't do nothing with my woman,
you wouldn't want me to see
Kiddie boy, kiddie boy, I knew your papa too
He'd come around my house, someone my mama knew
Kiddie boy, kiddie boy, I'm gonna have my day
It seems you don't like living,
you're gonna get your way
