Ne-Yo, Ain't Thinking About Yo

Not gonna let it stress me no more!
I won't put up with you & your drama; no not tonight
(no not tonight, i ain't thinkin' bout ya)
Your insecurities ain't gonna stop me; no not tonight
(i'm gonna get up, get out i ain't thinkin' about you)
I did everything
(that you wanted me to)
I was everything
(that you wanted me to)
Boss up in the streets representing you
All your fantasies in the bedroom
No, still not enough so I have had enough
I'm gonna get up,get out i ain't thinking about you
(get up, get out i ain't thinkin' about you)
No, oh oh, oh oh
I won't blame myself no more
No, oh oh, oh oh
Said I won't worry myself
Really don't wanna deal w/ this ho
Not gonna let it stress me no more
Gonna get up, get out I ain't thinkin' about you
(get up get out I ain't thinkin' about you)
You fuss at me cause your girls think i'm fly
(just how the hell can you say that's my fault?!)
But instead of stressing me
Won't you tell your girls to shut they eyes?
Say: Quit staring at your guy, oh
I was everything
(that you wanted me to)
I did everything
(that you wanted me to)
Boss up in the streets representing you
All your fantasies in the bedroom
