

# Ne-Yo, Because Of You

[Verse 1:]

Want to, but I cant help it  
I love the way it feels,  
Its got me stuck between my fantasy and what is real  
I need it when I want it, I want it when I dont  
Tell myself Ill stop everyday, knowin that I won't

[Bridge:]

I got a problem and I dont know what to do about it  
Even if I did, I dont know if I would quit but I doubt it  
Im taken by the thought of it, and I know this much is true  
Baby, you have become my addiction, Im so strung out on you  
I can barely move but I like it

[Chorus:]

And its all because of you [3X]  
And its all because  
Never get enough,  
Shes the sweetest drug

[Verse 2:]

Think of it every second  
I can't get nothing done,  
Only concern is the next time, Im gonna get me some  
Know I should stay away from, cause it's no good for me  
I try and try but my obsession wont let me leave

[Bridge:]

I got a problem and I dont know what to do about it  
Even if I did, I dont know if I would quit but I doubt it  
Im taken by the thought of it, and I know this much is true  
Baby, you have become my addiction, Im so strung out on you  
I can barely move but I like it

[Chorus:]

And its all because of you (all because of you) [3X]  
And its all because  
Never get enough,  
Shes the sweetest drug

Aint no doubt, so strung out [2X]  
Over you, over you, over you

Because of you,  
And its all because of you,  
Never get enough  
Shes the sweetest drug, shes the sweetest drug
