

Ne-Yo, I Love You

I look away when you try to look in my eyes.
Cause I'm afraid that I may scare you with what's inside.
I try to not be so, damn it must be illegal to (?)
When you smile at me.
I try to care that you've become the air in my lungs.
That I live to breathe.
I love you, I love you, I love you.
I'm no longer afraid to say,
I love you, I love you, I love you.
I'm no longer afraid, I love you.
Now, until then I don't care how far away it is.
When I all I feel, this love will simply start over again (Ooh oh)
I just can't believe how I scared used to be to say (To say)
What you are to me, yeah.
I would surely die if you were ever to fly away (Away)
Cause I live, girl don't leave.

I love you, I love you, I love you.
I'm no longer afraid to say,
I love you, I love you, I love you.
I'm no longer afraid, I love you.
Ooh, and it feels so good to say it, girl.
(I love you) And I love you (I love you, baby)
And no matter where we go, baby you know (Hey)
Right here and right now, ooh I love you.
(x2)
I love you, I love you, I love you.
I'm no longer afraid to say,
I love you, I love you, I love you.
I'm no longer afraid, I love you.
