

# Ne-Yo, Religious / Ratchet Wit Yo Friends

I love lookin' at you  
In the way God intended us  
I'm talkin' 'bout nothin' on but a smile  
And a little bit of sweat from when we made love

And you got me singin' ooooooh  
Your body makes me go ooooooh  
I throw up my hands, say thank you to the man  
Cause just a touch, you is a blessin' and I'm glad I can

All I can say is hallelujah, hallelujah, hallelujah pretty baby  
You got me religious, got me religious, got me religious  
And all I can say is hallelujah, hallelujah, hallelujah pretty baby  
You got me religious, got me religious, got me religious

I love bein' with you  
Cause you're easily worth adorin'  
Your voice in my ear somethin' like a choir of angels  
Easy like Sunday morning

And you got me singin' ooooooh  
Your body makes me go ooooooh  
And I just throw up both my hands, say thank you to the man  
Cause to be around you is a blessin' and I thank God I can

All I can say is hallelujah, hallelujah, hallelujah pretty baby  
You got me religious, got me religious, got me religious  
And all I can say is hallelujah, hallelujah, hallelujah pretty baby  
You got me religious, got me religious, got me religious

When I see you in the mornin'  
Breakfast in bed  
When you smile at me  
When you rub my head  
All I can say is: "Thank you Lord"  
For bringin' this one to me,  
All I can say is: "Thank you Lord"  
Hallelujah, hallelujah, hallelujah  
You got me religious, you got me religious, got me religious  
Said that all I can say: "Hallelujah, hallelujah"  
Got me religious, got me religious  
I said: "Thank you Lord, thank you Lord, thank you Lord"

Aye nigga I know you done fell in love and all that but we all outside and it's time do some some ra
