

# Ne-Yo, Sex With My Ex

I...memorize your special code  
I can get in anytime i want  
You...say i'm just a bit too bold  
Know you want it tell me you dont  
Girl what's your problem  
I think you know good and well  
Aint nobody strokin like me  
Girl i'm your problem  
Made you set that bar high as hell  
I aint what you want but i'm what you need

Cant nobody do it better  
And you know it, you do  
Cant nobody get it wetter  
Say you know it, it's true  
Cuz i love sex with my ex...girlfriend  
I...i luv...sex with my ex...girlfriend

I...really like the way you go  
Beggin me to not kiss right there  
Oh and you...suddenly just lose control  
Beggin me to smack it and pull yo hair  
Babe, understand you got a new man  
(tellin me that your in love, okay)  
Oh girl that's your thing  
Long as you understand i get mine anytime  
Night and through the day

Cant nobody do it better  
And you know it, you do  
Cant nobody get it wetter  
Say you know it, it's true  
Cuz i love sex with my ex...girlfriend  
I...i luv...sex with my ex...girlfriend

Cant nobody do it like i do it and you know it  
One thing that it's always goin be true is  
Once mine always mine

And you know it, you do  
Say you know it, it's true  
I...i luv sex with my ex...girlfriend  
I...luv sex with my ex...girlfriend
