

Ne-Yo, Why Does She Stay

Why does she stay.....mmmmmmm
Why does she stay.....hey.....mmmmmm
Why does she stay.....heyyy.....mmmmmmmm....uh

She hates that i dont do dishes
Even though i mess up the most
And she begs me all the time to help her
I know that i should but im lazy so i dont (mmmm yeah)
She's always considering my feelings
Thinkin of me before herself
Most of the time im so damn selfish
I dont even realize she treats me so well

She's so much better than me
Im so unworthy of her

Ouhhhhh.....Why does she stay
Why does she stay.....why.....

She hates that we dont spend much time (ouwow)
We barely see each other at all (ouwow)
She dont even nag me 'bout always working
She just says i just wish every now and then that you'd call (ouwow)
And i dont know why she's still here (mmm ouwow)
She could have any man that she wants
I step outside of myself
To see how much she loves me
And all the things that i should do for her that i just dont...just dont...
And i realize

She's so much better than me (so much better)
Im so unworthy of her (so unworthy of her)

Ouhhhhh.....Why does she stay
Why does she stay with me.....tell me why....why why why...

She's in love
She's in love
She's in love
And i dont understand
And i dont understand
She's in love
She's in love
She's in love
Gotta be a better man for her
So i take my time and do what im suppose to do
Because i just cant see my life without you

Ohhh ohhhh yeahhhh

Why does she stay

She's so much better than me
Im so unworthy of her

Ouhhhhh.....Why does she stay
Why does she stay.....tell me why...why why why

Why does she stay
Why does she stay
