

# Nea, Some Say

I will find the time  
We will find the timing  
Cus you are on my mind  
I hope that you don't mind it  
You know that I want you  
You know that I want you next to me  
But if you need some space  
I will step away

And I know it might sound stupid but for me, yea yea  
I just gotta keep believing and I've heard

Some say  
You will love me one day  
And I will wait, I will wait  
To get your loving one day

Just say  
You will love me one day  
And I will wait, I will wait  
To get your loving one day

I promise that I'll try  
That I will try to meet someone  
And there's so many guys  
You told me I deserve someone  
I wanna call you up but maybe it will only make it worse  
I guess that I just don't know what to do with myself

Cus I know it might sound stupid but for me, yea yea  
I just gotta keep believing and I've heard

Some say  
You will love me one day  
And I will wait, I will wait  
To get your loving one day

Just say  
You will love me one day  
And I will wait, I will wait  
To get your loving one day

Oooo  
Just say you love me one day  
Oooo  
Just say you love me one day

I'll give you space to the moon if it's what you need  
Just say you one day will bring yourself back to me

Some say  
You will love me one day  
And I will wait, I will wait  
To get your loving one day

Just say  
You will love me one day  
And I will wait, I will wait  
To get your loving one day

Oooo  
Just say you love me one day  
Oooo  
Just say you love me one day
