

# Neaera, Scars Of Gray

Scars of Grey  
The Grave Heritage

Pain Aches at the Country's Soul  
A Historical Trauma to Last Forever  
It Harms Our Confidence Still  
A Divided Nation - Not Becoming One

An Era of Unique Sickness  
And Obsolete Ideas of an Archaic Mind  
Vision of Megalomania - A Perverse Heirarchy  
And Countless Hands Stained with Blood

Drunken Dreams of a Glorious Age Collapsed  
Their Souls Died with Their Illusions  
A Nation's Subtle Suicide

Perfection, Strength, Glory  
Heroic Statues Built on Quicksand  
A Nightmare

Guilt and Shame - to Shape Endless Lives  
Defeat, Decay - To Stab a Nation's Soul  
Disgrace, Regret - to Trigger an Endless  
Process of Purification

Shadows of the Past  
Leave To Free Us  
Shadows of this Darkest Chapter  
Stay Forever - To Remind Us Eternally

Vision of Megalomania - a Perverse Hierarchy  
And Countless Hands Stained With Blood

[Chorus]

Will These Wounds Ever Heal?  
Will the Price Be Forgetfulness?

Scars of Grey  
The Subliminal Pain
