

# Neal Morse, Sweet Elation

Sweet elation

Come down, come down

And bring a new sensation

All around, all around

A cloud of secrets fills the air [Ex 40:38]

As the lines are blurred

between here and there [Heb 9:24]

Mercy, mercy

Look on, look on

He's gone behind the curtain [2 Sam 7:2]

Where no one's ever gone

His face is shining like the sun [Ex 34:29]

Our great return has now begun [2 Cor 3:18]
