

Necro, 86 Measures Of Game

Some bitches are stupid
I treat 'em like shit, that's how you get one to eat a dick
Never be sweet to a bitch
Keep it sick, they like to get dissed, they like it rough
Women are so fucked up in the head some like to get snuffed
And they come back for more
Cuz men are from Mars and women are from Venus
That's why they like to suck penis
Don't ever let them tell you different, women are just as horny as men
They're just programmed inhibitions
That's why catholic school girls are the biggest sluts
Down to take it in their butts
They're always licking somebody's nuts
And why not? That's why God made 'em
Adam was kinda lonely, so God took one of his ribs and created him
Because before that, Adam was fucking animals
That's why women liked to get fucked by animals, it's only natural
And don't get the wrong idea, don't think I hate bitches
I love women, that's why my masturbating's religious
I'm just stating fact, that they're down to take a smack
and they'll break their back bendin over for you if your games intact
They say they're not into games, but those are the dames playin the most games
The type to suck on a dick for cocaine
They're acting like they're so tame, but before you met them
They fucked 50 cats and can't remember no names
Tell them right off the bat "I want you to suck on my sack"
and most likely they'll respect you and let you cum on their back
Yo, the more degrading I get, the more these ladies get wet
It's only busted bitches that can't take what I said
But fuck busted bitches, they make my dick limp
They're useless to a sick pimp like me, who needs his gratification instant
BUt the one thing ugly bitches are good for
is being good friends that'll lend you money when you're poor
So shout out to the homely
and my deep condolences to you bitch
Cuz honey for the rest of your life, you'll be lonely
and I know some of you are saying, "Necro ain't all that"
but yo men don't even have to look good as long as you rap
Mother fuckers that are fat will have you on their lap
as long as he convinces you he's an emotional cat
and if he's a cold person that got money
most broke bitches will take the cock in their tummies, it's not funny
Money turns bitches on, once you're broke the bitch is gone
Money'll have a bitch in a thong strippin to songs
It'll have a bitch in a porn getting shifted on
I want so much money I can get any girl to sit on my schlong
But I've been broke, for centuries
and haven't had a problem yet getting a girl to bend to their knees
I guess that's how you know you got game
I can be broke and bummy and still get the same as a cat that got fame
I know cat's that trick, they're practically PAYING the bitch
and they can't even play with her clit, cuz she's saying some shit
Portraying like they're afraid of dick
Cuz you're too stupid to realize she was created to lick
She's playing you quick
She'll hold on the pussy for the longest possible time she can make you wait for it
Cuz when she gives it up, you might diss the slut
and she's thinking like business son, "let me milke everything out of this schmuck"
She don't give a fuck cuz most men are foul, down to fuck a girl in the bowels to get around
So we're looked at as bank accounts
Amounts, like a quarter pound or an ounce
But bitch, my checks will bounce
Not saying all women are like this, but yo I got no problem with it
I'll pay the right price if she's got the right tits

I see nothing wrong with paying for a tight clit
If I'm gonna pay for anything, it might as well be to excite my dick
I've paid for worse things, you should pay for something that'll last
Like a french maid with a fat ass
If I had mad cash, I'd open up a whore house
Honestly, I had this bitch in my crib fronting so I threw her out
She wasn't suck dick correct, the bitch was wrecked
she shoulda known when she hit the deck
not to stop sucking until she ripped her neck
After all, I bought her a beer
And you'd think she'd be grateful enough
to stuff a cock in her mouth and make sure I'm taken care of before walking in here
BUT NO
so I threw her out in the rain with no dough
In the freezing cold, skeezer do what you're told
Cuz when a slut gets old, you'll be paying me to suck my pole
Cuz when a man gets old, he blossoms
But when a women gets old, she starts rotting, there's not too many options
There's plenty doctors with operations and lotions
Liposuction and facelifts, and noxzema for old skin
You can't escape demise
By taking some weight off your thighs
It's a law of nature to die
You patronize death when you old bitches use a facial cream that says it age defies
These companies are playing games with lives
That's why these 85 year old millionaires are taking wives that are 25
Whats my point?
You bitches better lick up, before corrosion eats your lips up
and they aint soft enough to DICK SUCK
