This is my corel presnetation  
On drug elimination  
Its going out to nations  
Like Columbia and Chile  
They send that shit to Philly  
Make my brain go illy, ya'll

(Chorus):  
I hop in my dumptruck (dumptruck!)  
Playas want to buttf\*\*k (buttf\*\*k!)  
If the red river flows (buttf\*\*k!)  
Take that cocaine road my niiaaa (dumptruck!)

We call that shit blow  
And like a gay homo  
Shit'll take you to the disco  
it gives my flows go  
So when I dive into a show  
Lyrics evasive like your ho

(Chorus)

F\*\*k the south, this is dirty north  
When I first tried coke  
I tried sex  
with what I thought was a horse  
See the keys to my Porche?  
Donkies are all about that shit
