

Necro, Cocaine Dumptruck

This is my corel presnetation
On drug elimination
Its going out to nations
Like Columbia and Chile
They send that shit to Philly
Make my brain go illy, ya'll

(Chorus):
I hop in my dumptruck (dumptruck!)
Playas want to buttf**k (buttf**k!)
If the red river flows (buttf**k!)
Take that cocaine road my niiaaa (dumptruck!)

We call that shit blow
And like a gay homo
Shit'll take you to the disco
it gives my flows go
So when I dive into a show
Lyrics evasive like your ho

(Chorus)

F**k the south, this is dirty north
When I first tried coke
I tried sex
with what I thought was a horse
See the keys to my Porche?
Donkies are all about that shit
NIIIAAAAAA

(Chorus): X2
