

# Nedelle, Begin To Breathe

I don't know why you don't get the door  
It gets my heart feeling so sore  
You wish me out of your hair  
I now that's why you're not there  
But

You can hear it's my knock  
And you refuse to unlock  
I know so please just tell me to leave  
And time tells nothing you'll like  
Cause you're not here by my side  
I know oh please just tell me to leave  
Bereave me so I can begin to grieve

They're talking battleship in my ear  
Despite the subject that I just don't wanna hear  
Cuz I'm too scared but  
You can hear it's my knock  
And you refuse to unlock  
I know oh please just tell me to leave  
And time tells nothing you'll like  
Cause you're not here by my side  
I know oh please just tell me to leave  
Bereave me so I can begin to grieve
