

Nedelle, Begin To Breathe

I don't know why you don't get the door
It gets my heart feeling so sore
You wish me out of your hair
I now that's why you're not there
But

You can hear it's my knock
And you refuse to unlock
I know so please just tell me to leave
And time tells nothing you'll like
Cause you're not here by my side
I know oh please just tell me to leave
Bereave me so I can begin to grieve

They're talking battleship in my ear
Despite the subject that I just don't wanna hear
Cuz I'm too scared but
You can hear it's my knock
And you refuse to unlock
I know oh please just tell me to leave
And time tells nothing you'll like
Cause you're not here by my side
I know oh please just tell me to leave
Bereave me so I can begin to grieve
