

Nega, Enemy

I'm crushed by you [death throes]

I'm frightened by you [death throes]

I'm raped by you [death throes]

And I...vomit

I'm destroyed by you [death throes]

I'm defeated by you [death throes]

I'm murdered by you [death throes]

And I commit suicide

You hurt my heart unconcernedly many times

You have it as pleasure

As for you, nothing knows me but intend to know it

Therefore I...

tada sakebi tsudzukeru kono risou to iu kyojou wo

motomeru hai no koe ni namida nagashi nagara...

I cried in my heart

Many times many times...

And I decided to kill you

tada sakebi tsudzukeru mou subete ga kono kokoro ni

tsukisasu itami datta dare mo ga kataki de

hitei no ame de sae mo mou kasa mo sasazu ni

kokoro ni kizami tsudzukeru sono kisama no koe wo
