

Negative Format, Asking For The Future

Visualize the colony of the future
Finalize the tapestry, life in space
Artificial habitat
Environment man-made

Capturing the essence, a nation's dream
Different ways to live a culture change
Place a value, twist the symptom
Addicted to the vision

Transition
Moving forward
Monitor
Station vitals
Static walls with cryptic answers
Seven thousand threats reset the system

Search for endless resource
Constant struggle, aimlessness
Space unyielding suffocate
Denial of service predicate

Waking moments, dreamscape black
Outer image looking back
In the view of public eyes
Captive thoughts materialize

Waking moments, dreamscape black
Outer image looking back
In the view of public eyes
Captive thoughts materialize

Asking for life above
Complicate the status activity
Future landscape synchronize
Airlock system pressurize

Waking moments, dreamscape black
Outer image looking back
In the view of public eyes
Captive thoughts materialize

Waking moments, dreamscape black
Outer image looking back
In the view of public eyes
Captive thoughts materialize
