

# Negative, Goodbye (acoustic)

We've been down  
We've been down all our lives  
We have seen so many ways  
So many ways  
So many ways that hurt inside  
I've got nothing left to say to you

Goodbye  
Goodbye, my friend  
Goodbye  
Goodbye, my love  
Goodbye  
Goodbye, my love  
I gotta go

So many times  
Too many times  
We've been drowning  
I've got nothing left to lose anymore

Goodbye  
Goodbye, my friend  
Goodbye  
Goodbye, my love  
Goodbye  
Goodbye  
I gotta go

Goodbye  
Goodbye, my friend  
Goodbye  
Goodbye, my love  
Gotta go for you, oh  
For you
