

Negativland, Nesbitt's Lime Soda Song

We spent a lovely summer, my wife Elaine and me,
We bought us a great big motor home, with a shower and TV,
We was camping and having a great time, watching Brokaw on Today,
Till a bee flew into the Nesbitt's Lime Soda, and we had to throw it away.
Now most of the time I'm a peaceful man, but I lost my temper that day,
Just one last bottle of Nesbitt's Lime Soda, and we had to throw it away.
I brought a case of Nehi, and Double Cola, too,
A half a dozen Upper 10's, and good old Mountain Dew,
I bought a quart of cola-a, to get me through the day,
But just one bottle of Nesbitt's Lime Soda, and we had to throw it away.
Now most of the time I'm a peaceful man, but I lost my temper that day,
Just one last bottle of Nesbitt's Lime Soda, and we had to throw it away.
We spent a lovely summer, my wife Elaine and me,
We bought us a great big motor home, with a shower and TV,
We was camping and having a great time, watching Brokaw on Today,
Till a bee flew into the Nesbitt's Lime Soda, and we had to throw it away.
