

# Neglected Fields, Eschatological

In expectance of the eons fall - we are ...

Endless entity in dream of wisdom hidden deep ...

Earth we know  
Approaches to turning point  
Passing through my eyes  
Unknown, newborn world  
Far-away of dead  
Somatic sense  
... Behold - entranced ...

(Solo: Sergey)

Creative tears are shed -  
Eschatological, remixing colours of dead world

Regnal age  
Of beauty; ancient, storming  
River inside me  
A drowned in sensual waters  
Revelry of sun  
Begotten by time

(Solo: Herman)
