

Neil Cicierega, The Munchkins

Get the hell off of our property!
You are trespassing on our land! (Our land!)
We demand that you leave our property
Or we'll kill you where you stand!

You offend our eyes
And you stink of booze!
Get your human ass out,
You can keep your damn shoes!

Get the fuck off of our property!
Take the first road out you see! (Whippee!)
Please remove yourself from our property
Or we'll beat your face
On the basis of your race
And hang you from a tree!

Wheee!
