

# Neil Diamond, All I Really Need Is You

After all these years,  
After all these tears between us  
Still I couldn't find  
Someone half as right as you  
And each time I stop to think  
What it is I truly need  
Here's what I conclude  
All I really need is you

Just say what you want to say  
You don't have a chance in the world  
Can I, knowin' how I've tried  
Still come close to losing you, girl  
When you are my world

Have I, spent these many years  
Tryin' but in vain to tell you  
Don't you know it too?  
All I really need is you

How could I have known  
We'd have ended here  
Where we finally did?  
You hooked your life to mine  
Once upon a starry night

Now when someone asks of me  
What it is that I believe  
Say, I believe it's true  
All I really need is you

Just say what you want to say  
You don't have a chance in the world  
Can I, knowin' how I've tried  
Still come close to losing you girl  
When you are my world  
Have I spent these many years  
Tryin' but in vain to tell you

Feelings come and go  
Me, I'm never gonna  
Ever let you go  
Promise you I'm gonna  
Always love you so  
And all I really need is you
