

Neil Diamond, And The Grass Won't Pay No Mind

Listen easy,
You can hear God callin'
Walkin' barefoot by a stream
Come unto me
Your hair softly fallin'
On my face as in a dream
And the time will be our time,
And the grass won't pay no mind

Sayin' nothin', lyin' where the sun is
Bakin' down upon our sighs
My lips touch you
With their soft wet kisses,
Your hands gentle in reply
And the time will be our time,
And the grass won't pay no mind

Child, touch my soul with your cries
And the music
Will know what we've found
I'll hear a hundred goodbyes,
But today I hear only one sound
The moment we're livin' is now
Na, na, na, na

Young bird flyin'
And a soft wind blowin'
Cools the sweat inside my palms
Close my eyes
And hear the flowers growin'
As you lay sleeping in my arms
And the time will be our time,
And the grass won't pay no mind
No, the grass won't pay no mind
