

# Neil Diamond, Broad Old Woman

Broad old woman  
What goes on behind your mascara'd eyes?  
Broad old woman,  
I know you tried this world  
Once or twice for size  
Tell your story, I'll be listen'  
Past time glories  
Yeah, yeah  
Yeah, yeah

Broad old woman  
How many men  
Have kicked you down the stairs?  
Broad old woman  
And how many times  
Have you done to same to theirs?  
Sing your bad times  
To this young boy  
I know you have time  
Yeah, yeah  
Yeah, yeah
