

Neil Diamond, Cherry Cherry

Baby loves me
Yes, yes she does
Ah, the girls outta sight, yeah
Says she loves me
Yes, yes she does
Gonna show me tonight, yeah
She got the way to move me, cherry
She got the way to groove me
She got the way to move me
She got the way to groove me
Tell your mama, girl, I cant stay long
We got things we gotta catch up on
Mmm, you know
You know what Im sayin
Cant stand still while the music is playin
Yaint got no right
No, no you dont
Ah, to be so exiting
Wont need bright lights
No, no we wont
Gonna make our own lightning
She got the way to move me, cherry
She got the way to groove me
She got the way to move me
She got the way to groove me
No, we wont tell a soul where we gone to
Girl, we do whatever we want to
Ah, I love the way that you do me
Cherry, babe, you really get to me
She got the way to move me, cherry
She got the way to groove me
She got the way to move me
She got the way to groove me
