

# Neil Diamond, Cherry Cherry

Baby loves me  
Yes, yes she does  
Ah, the girls outta sight, yeah  
Says she loves me  
Yes, yes she does  
Gonna show me tonight, yeah  
She got the way to move me, cherry  
She got the way to groove me  
She got the way to move me  
She got the way to groove me  
Tell your mama, girl, I cant stay long  
We got things we gotta catch up on  
Mmm, you know  
You know what Im sayin  
Cant stand still while the music is playin  
Yaint got no right  
No, no you dont  
Ah, to be so exiting  
Wont need bright lights  
No, no we wont  
Gonna make our own lightning  
She got the way to move me, cherry  
She got the way to groove me  
She got the way to move me  
She got the way to groove me  
No, we wont tell a soul where we gone to  
Girl, we do whatever we want to  
Ah, I love the way that you do me  
Cherry, babe, you really get to me  
She got the way to move me, cherry  
She got the way to groove me  
She got the way to move me  
She got the way to groove me
